Conclusion: We've only had time to briefly consider five of God's attributes. Even if we asked the six blind men to describe God they would lack all of the information needed to give us a complete picture. We must combine the attributes such as Self-existent, Self-sufficient, Sovereignty, Immutability, Omnipotence, Omniscience, Omnipresence, Holiness, Goodness, Grace, Mercy, Love, Wrath, and Faithfulness.

Thought for the Week:

“The most important thing about you is what you think about God, and how you live for Him.”
